To whom it may concern,

I have taught John Coomans for one period per week this year in the ICT course at Winmalee High.

At all times I have found John to be a co-operative and capable student in this Year 7 class where he has met all the desired requirements.

He has also attended a number of lunch-time Reading Café meetings in the school library which I have organised. Here he has shown a keen interest in recreational reading and interacted well with students of varying ages and abilities. At all times John has been well-mannered and he wears his school uniform with pride.

I would not hesitate to commend John for his classroom skills and outlook, plus his extra-curricular use of the school library at recess and lunch breaks.

Do not hesitate to contact me for further details here at school.

Yours sincerely,

Ms S. Hill  
B.A. Dip Ed. Dip Lib. M.Ltts.
