

TO WHOM IT MAY CONCERN

John Coomans has been a member of my Year 7 English class at Winmalee High School throughout 2008.

During this time I have come to know John as a polite, diligent and hard working student. His work is always completed to a high standard and he has demonstrated a maturity well beyond his years, especially in reading and comprehension activities.

John works productively in group situations but is at his best when working independently and he enjoys being challenged by complex tasks and reading material.

I would like to wish John well at his new school and for the future and am sad to see him leaving Winmalee High School.

Yours truly,
